

JARED CHURCHMAN

Houston, TX | 713-446-0606 | jared@jaredchurchman.com | <https://jaredchurchman.com>

SUMMARY

An adaptable product designer, passionate about empathically designed applications. While my development experience allows me to communicate cross-functionally between design and code, my background as a choreographer allows me to create innovative solutions through emotional storytelling.

TECHNICAL SKILLS

Design | UI Design | Interaction Design | Visual Design | Motion Design | Design Systems | Wireframes | Mockups | Prototypes | Information Architecture | User Research | User Flows | Personas | Sketches | Storyboards | Usability Testing | Agile

WORK EXPERIENCE

Junior Product Designer | P97 Networks

Houston, Texas / October 2020 – Current

- o Lead iOS design of a B2B application for a major global client, including prototyping, localization, and UX reviews to ensure production consistency.
- o Managed the visual design and branding of multiple projects, communicating with clients to balance their business needs with development constraints.
- o Implemented new design system for Android native, migrating assets from sketch to Figma, to improve organization and efficiency for future projects.

UX / UI Designer | Athletes.gg

Austin, Texas / October 2019 – July 2021

- o Lead design process on a new recruitment application for the brand, from research and interviews, to concept and interactive prototype.
- o Adapted the mobile application into a web version in line with roadmap goals, utilizing scalable components to reduce development workload.
- o Created a design system, including style guide and component library, to improve application consistency and accessibility.

Graduate Engineer Intern | Austin Energy

Austin, Texas / May 2018 – August 2018

- o Lead end-to-end design and full-stack development of an internal facing web dashboard to improve process efficiency in my department.
